- track products or services that you view on our website using cookies, where your settings allow us to, and send you information and advertising about those products or services

- contact you to assist you to complete online applications that you may have started and not submitted. Personal information provided but not used in these applications is destroyed after 90 days
- minimise risks and identify or investigate fraud and other illegal activities
- improve our service(s) to you
- comply with laws, regulations including assist government and law enforcement agencies
- manage our business.

If you do not provide us the information we request, financial services laws and regulations may not allow us to admit you to our membership or provide you with the service(s) or product(s) you have applied for.

#### How we collect your information

We will collect information about you and your financial position from you directly. When you apply for a loan, we will collect information about your credit history from a credit reporting body.

#### How you can access your information

You can request access to your personal information we hold on file or the Bank's Privacy Policy at any time.

#### Providing your information to credit reporting bodies

The credit reporting bodies (CRB's) we disclose information to Equifax Australia Information Services, and Solutions Pty Limited. If you do not make your repayments when they fall due or commit a serious credit infringement, we are required by law to disclose this to the credit reporting bodies. Any information we provide to the above CRB will be disclosed to credit providers to help them to assess your creditworthiness.

You can ask the CRB not to use your information for pre-screening of direct marketing by a credit provider. You can also ask them not to use or disclose your information if you reasonably believe that you have been or are likely to be a victim of fraud (including identity fraud). You can view the CRB's Privacy Policy on their website

### Suitability Assessment

1. I am satisfied that the proposed loan and its features and benefits match the borrower's requirements as determined by the needs analysis.
2. I am satisfied that considering the nature of the loan, including but not limited to - complexity and significance to their financial position, that the borrowers understand the obligations they are entering into.
3. I am satisfied that the purpose for the loan is as detailed and there is no reasonably identifiable red flag to consider otherwise.
4. I am satisfied that where applicable, that responses to specific matters such as:
  - Exit strategy
  - Bridging Finance
  - Self-employedare satisfactory and do not give rise to concern for the specific considerations they are aimed at addressing.
5. I am satisfied that we have investigated and verified information provided in a reasonable manner. Where we have relied on declarations or attestations we have made reasonable investigations and have no reason or believe that they are untrue.
6. I am satisfied that the borrower understands and 'owns' the extent of expense cut backs that they will need to make and are prepared to do so to service the loan.
7. I am satisfied that in discussions and considering the nature of the expense cut back they are reasonable and the omission of them will not constitute substantial hardship.
8. I am satisfied that future changes to income and expenses have been taken into account where disclosure or reasonable expectable.
9. I am satisfied that where applicable, that responses to specific matters such as:
  - Exit strategy
  - Bridging Finance / Hope
  - Self-employedare satisfactory and do not give rise to concern for the specific considerations they are aimed at addressing.

Based on the above and based on reasonable verification, the loan is considered not unsuitable for the borrower(s) and should not as reasonably foreseeable give rise to substantial hardship.
