## 4. Guidelines for Access Method Security

- 4.1** These guidelines apply if your access method uses a secret code such as a PIN or password. This includes BPAY®.

- 4.4** You must not select a code which represents your birth date or a recognisable part of your name. If you do use an obvious code such as a name or date you may be liable for any losses which occur as a result of unauthorised use of the code before you notify us that the code has been misused or become known to someone else.
- 4.5** You must not tell or show the code to anyone else (including family and friends).
- 4.6** You must not act with extreme carelessness in failing to protect the security of the code. In addition, you must comply with the security guidelines which apply to your access method. We recommend that you:
- a. Use care to prevent anyone seeing the details you enter;
  - b. Change any code at regular intervals;
  - c. Never reveal any code to anyone;

## 5. BPAY®

### 5.1 Security Breaches

- 5.1.1** We will attempt to make sure that your BPAY® Payments are processed promptly by participants in BPAY®, and you must tell us promptly if:
- You become aware of any delays or mistakes in processing your BPAY® Payment;
  - You did not authorise a BPAY® Payment that has been made from your account; or

- You think that you have been fraudulently induced to make a BPAY® Payment.

- 5.1.2** If you think that the security of your access method has been compromised you should notify us immediately by contacting the Bank on 132 267 during business hours. In such circumstances, you should immediately change your internet access code by calling the Contact Centre on 132 267 or online at [borderbank.com.au](http://borderbank.com.au)
- 5.1.3** If you believe an unauthorised BPAY® Payment has been made and your access method uses a secret code such as a PIN or password, you should change that code. If the security of an access method such as a card has been compromised, you should contact us to cancel the card.
- 5.1.4** We will acknowledge your notification by giving you a reference number that verifies the date and time you contacted us.
- 5.2 Using BPAY®**
- 5.2.1** We are a Member of BPAY®. We will tell you if we are no longer a member of BPAY®.
- 5.2.2** BPAY® can be used to pay bills bearing the BPAY® logo. We will advise you if and when other transactions can be made using BPAY®.
- 5.2.3** Unless you are advised otherwise, you may use BPAY® only to make payments from your account.
- 5.2.4** When you tell us to make a BPAY® Payment you must tell us the Biller's code number (found on your bill), your Customer Reference Number (eg. your account number with the Biller), the amount to be paid and the account from which the amount is to be paid.
- 5.2.5** You acknowledge that we are not required to effect a BPAY® Payment if you do not give us all the information specified above or if any of the information you give us is inaccurate.
- 5.2.6** We will debit the value of each BPAY® Payment and any applicable fees to the account from which the relevant BPAY® Payment is made.
- 5.2.7** If you instruct us to make any BPAY® Payment, but close the account to be debited before the BPAY® Payment is processed, you will remain liable for any dishonour fees incurred in respect of that BPAY® Payment.
- 5.2.8** You acknowledge that third party organisations (such as Billers or other financial institutions) may impose additional restrictions on your access to and use of BPAY®.
- 5.2.9** You acknowledge that the receipt by a Biller of a mistaken or erroneous payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between you and that Biller.
- 5.3 Processing of BPAY® Payments**
- 5.3.1** A BPAY® Payment instruction is irrevocable. Except for future-dated payments (addressed in clause 5.4) you cannot stop a BPAY® Payment once you have instructed us to make it and we cannot reverse it.

**5.3.2** We will treat your BPAY® Payment instruction as valid if, when you give it to us, you use the correct access method.

**5.3.3** You should notify us immediately if you think that you have made a mistake (except for a mistake as to the amount you meant to pay – for these errors see clause 5.3.7) when making a BPAY® Payment or if you did not authorise a BPAY® Payment that has been made from your Account.

**5.3.4** A BPAY® Payment is treated as received by the Biller to whom it is directed:

- On the date you direct us to make it, if we receive your direction by the cut off time on a Banking Business Day; and
- Otherwise, on the next Banking Business Day after you direct us to make it. The BPAY® Payment may take longer to be credited to a Biller if you tell us to make it on a Saturday, Sunday or a public holiday or if another participant in BPAY® does not process a BPAY® Payment as soon as they receive its details.

**5.3.5** Notwithstanding this, a delay may occur processing a BPAY® Payment if:

- There is a public or bank holiday on the day after you instruct us to make the BPAY® Payment;
- You tell us to make a BPAY® Payment on a day which is not a Banking Business Day or after the cut off time on a Banking Business Day; or
- A Biller, or another financial institution participating in BPAY®, does not comply with its BPAY® obligations.

**5.3.6** If we are advised that your payment cannot be processed by a Biller, we will:

- Advise you of this;
- Credit your account with the amount of the BPAY® Payment; and
- Take all reasonable steps to assist you in making the BPAY® Payment as quickly as possible.

**5.3.7** You must be careful to ensure you tell us the correct amount you wish to pay. If you make a BPAY® Payment and later discover that the amount you paid was less than the amount you needed to pay, you can make another BPAY® Payment for the difference between the amount you actually paid and the amount you needed to pay.

## **5.4 Future Dated Payments**

You may arrange BPAY® Payments up to 365 days in advance of the time for payment. If you use this option you should be aware that:

**5.4.1** You are responsible for maintaining, in the account to be drawn on, sufficient cleared funds to cover all future-dated BPAY® Payments (and any other drawings) on the day(s) you have nominated for payment or, if the account is a credit facility, there must be sufficient available credit for that purpose.

**5.4.2** If there are insufficient cleared funds or, as

relevant, insufficient available credit, the BPAY® Payment will not be made and you may be charged a dishonour fee.

**5.4.3** You are responsible for checking your account transaction details or account statement to ensure the future-dated payment is made correctly.

**5.4.4** You should contact us on 132 267 if there are any problems with your future-dated payment.

**5.4.5** You must contact us if you wish to cancel a future-dated payment after you have given the direction but before the date for payment. You cannot stop the BPAY® Payment on or after that date.

## **5.5 BPAY® Transaction Limits**

**5.5.1** We may limit the amount of BPAY® Payments you may make on any one day.

**5.5.2** If at any time BPAY® will allow transactions other than bill payments to be processed through BPAY®, we will advise you accordingly however, we may limit the amount you may transact on any one day via BPAY® on the other transactions.

## **5.7 Your Liability for BPAY® Payments**

**5.7.1** You are liable for all transactions carried out via BPAY® by you or by anybody carrying out a transaction with your consent, regardless of when the transaction is processed to your account with us.

**5.7.2** If you are responsible for a mistaken BPAY® Payment and we cannot recover the amount from the person who received it within 20 Banking Business Days of us attempting to do so, you will be liable for that payment.

**5.7.4** You will be liable for any loss of funds arising from unauthorised BPAY® Payments if the loss occurs before you notify us that your access method has been misused, lost or stolen or used without your authorisation and if we prove, on the balance of probabilities, that you contributed to the loss through:

- Your fraud or, if your access method includes a secret code or codes (such as a password or PIN), your failure to keep that code secure in accordance with clause 4.
- Unreasonably delaying in notifying us of the misuse, loss, theft or unauthorised use of the access method and the loss occurs between the time you did, or reasonably should have, become aware of these matters and the time of notification to us.

However, you will not be liable for:

- The portion of the loss that exceeds any applicable daily or periodic transaction limits;
- The portion of the loss on your account which exceeds the balance of your account (including any prearranged credit); or
- All losses incurred on any account which you had not agreed with us could be accessed using the access method.

**5.7.5** Where a secret code such as PIN or password is required to perform the unauthorised BPAY® Payment and clause 5.7.4 does not apply, your liability for any loss of funds arising from an unauthorised BPAY® Payment, if the loss occurs before you notify us that the access method has been misused, lost, stolen or used without your authorisation, is the lesser of:

- \$150;
- The balance of your account, including any prearranged credit; or

If you do not give us that consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY® Payment.

**5.7.8** Notwithstanding any of the above provisions your liability will not exceed your liability under the ePayments Code.

## **5.8 Reversals and Chargebacks**

No chargebacks or reversals will be provided through the BPAY® scheme where you have a dispute with the Biller about any goods or services you may have agreed to acquire from the Biller including where the merchant may have failed to deliver the goods and services to you.

## **5.10 Consequential Damage**

**5.10.1** This clause does not apply to the extent that it is inconsistent with or contrary to any applicable law or code of practice to which we have subscribed. If those laws would make this clause illegal, void or unenforceable or impose an obligation or liability which is prohibited by those laws or that code, this clause is to be read as if it were varied to the extent necessary to comply with those laws or that code or, if necessary, omitted.

**5.10.2** We are not liable for any consequential loss or damage you suffer as a result of using BPAY®, other than loss due to our negligence or in relation to any breach of a condition or warranty implied by

## 7. Visa® Debit Card

---

### 7.1 Chargebacks

As a Visa® Card holder you have rights under the rules of your card scheme to dispute Visa® Card transactions. If you believe a purchase was not properly authorised or processed, or there is some other problem, you may have a right to recover the amount of the purchase under the scheme's "Chargeback Rules".

**7.1.1** You may be entitled to reverse (chargeback) a transaction if you have a dispute with a merchant about it (for example where the merchant has not provided you with the goods or service you paid for using your debit card).

**7.1.2** If you believe that you are entitled to a chargeback, you must notify us as soon as possible. The operating rules of the Visa® Card scheme impose time limit for chargebacks. After these time limits have expired, we are not able to charge back a transaction and you will be liable for it. The minimum time limit generally applicable is 90 days after the disputed transaction.

**7.1.3** In some cases where the ePayments Code applies, its time limits apply rather than the rule of the card schemes.

**7.1.4** You are responsible for reviewing your statements of account. We are not responsible for any loss to you if you do not ask us to chargeback a transaction within the applicable time limit.

**7.1.5** If you notify us in time and we are satisfied that you are entitled to a chargeback we will credit your account for the amount initially debited for the transaction. However the merchants also have rights to have the transaction further investigated and re-debited if appropriate.

**7.1.6** Charge back rights do not apply in respect to BPAY® payments from the cardholders account.

### 7.2 Signing the Visa® Card

You agree to sign your Visa® Card immediately upon receiving it and before using it as a means of preventing fraudulent or unauthorised use of your Visa® Card.

You must ensure that your Nominee signs the Visa® Card issued to them immediately upon receiving it and before using it.

## 7.3 Protecting the PIN

- 7.3.1** Your Bank will provide a PIN to use the Visa® Card with certain Electronic Equipment. You agree to protect this PIN as a means of preventing fraudulent or unauthorised use of the Visa® Card.
- 7.3.2** You must not tell or show the PIN to another person or allow it to be seen by another person, including your family and friends.
- 7.3.3** If you change the PIN, you must not select a PIN which represents your birth date or a recognisable part of your name. If you do use an obvious PIN such as a name or date you may be liable for any losses which occur as a result of unauthorised use of the PIN before notification to the Bank that the PIN has been misused or has become known to someone else.
- 7.3.4** Do not record the PIN on the Visa® Card or keep a record of the PIN on anything which is kept with or near the Visa® Card unless reasonable steps have been taken to carefully disguise the PIN or to prevent unauthorised access to that record.

## 7.4 Using the Visa® Card

- 7.4.1** If you have been issued with a Visa® Debit PayWave card which is identifiable by the PayWave logo, you will be able to make faster purchases. Instead of swiping or inserting your card as you always have, you will only need to tap your Visa® card against the PayWave reader.
- Payments using the PayWave functionality can only be made at a participating merchant outlet and if your purchase is AU\$100.00 or an amount as advised from time to time. If your purchase is over AU\$100.00, you will need to enter a PIN.
- The Visa® and Bank security systems continue to protect you for unauthorised transactions. The same conditions apply to your Visa® Debit PayWave transactions as your other Visa® card transactions.
- 7.4.2** The Visa® Card may only be used to perform transactions on your linked account(s). We will advise you of the accounts, including any credit facility, which you may link to the Visa® Card. A purchase transaction preformed by pressing the 'CR' button will also enable you to take cash out – but a PIN will always be required for these transactions.
- 7.4.3** We will debit your Linked Account(s) with the value of all transactions, including sales and cash advance vouchers arising from the use of the Visa® Card (including all mail or telephone orders placed by quoting the Visa® Card number) and all other electronic transactions, or credit your Linked Account(s) with the value of all deposit transactions at Electronic terminals.

## 7.4.4 We will advise you from time to time:

1. What electronic transactions may be performed using the Visa® Card; and
2. What Electronic terminals of other financial institutions may be used.

## 7.4.5 Transactions will not necessarily be processed to your Linked Account on the same Day.

## 7.5 Using the Visa® Card outside Australia

- 7.5.1** All transactions made overseas on the Visa® Card will be converted into Australian currency by Visa® Worldwide, and calculated at a wholesale market rate selected by Visa® from within a range of wholesale rates or the government mandated rate that is in effect one day prior to the Central Processing Date (that is, the date on which Visa® processes the transaction).
- 7.5.2** A Visa® International Fee is payable if and when you use the Visa® Card overseas and the transaction is in a foreign currency. All overseas transactions are converted to Australian dollars and are subject to this fee equal to 3% of the value of the transaction. A proportion of the fee may be retained by Border Bank. The amount of this conversion fee is subject to change from time to time and we will advise you in advance of any such change in accordance with clause 14.
- 7.5.3** Some overseas merchants and Electronic terminals charge a surcharge for making an electronic transaction. Once you have confirmed the transaction you will not be able to dispute the surcharge. The surcharge may appear on your statement as part of the purchase price.
- 7.5.4** Some overseas merchants and Electronic Terminals allow the cardholder the option to convert the value of the transaction into Australian dollars at the point of sale, also known as Dynamic Currency Conversion. Once you have confirmed the transaction you will not be able to dispute the exchange rate applied.
- 7.5.5** A cardholder must comply with all applicable exchange control and tax laws governing the use of the Card and you indemnify us against liability, loss, fees, charges or costs arising as a consequence of a failure to comply with them.
- 7.5.6** Before travelling overseas, you or your Nominee should consult us to obtain the Visa® Card Hotline number for the country of your destination. You should use the Visa® Card Hotline if any of the circumstances in clause 7.14 apply.
- 7.6 Withdrawal and transaction limits**
- 7.6.1** You agree that the Visa® Card will not be used to:
1. Overdraw any of your Linked Account(s); or

2. Exceed the unused portion of your credit limit under any pre-arranged credit facility such as line of credit or overdraft.

**7.6.2** If clause 7.6.1 is breached, the Bank may:

1. Dishonour any payment instruction given; and
2. Charge you an administrative fee as advised to you from time to time.

**7.6.3** We may at any time limit the amount of an electronic transaction, if this is required for security or credit risk purposes. We will advise you of any such daily or periodic transaction limits in the FSG.

**7.6.4** You acknowledge that third party organisations including merchants or other financial institutions may impose additional restrictions on the amount of funds that may be withdrawn, paid or transferred.

**7.7 Authorisations**

You acknowledge and agree that:

- a. The Bank has the right to deny authorisation for any electronic transaction for security or risk purposes; and
- b. The Bank will not be liable to you or any other person for any loss or damage which you or such other person may suffer as a result of such refusal.

**7.8 Deposits at Electronic terminals**

**7.8.1** Any deposit you make at an Electronic terminal will not be available for you to draw against until your deposit has been accepted by the Bank.

**7.8.2** Your deposit is accepted once the Bank has verified it in the following way:

1. Your deposit envelope will be opened in the presence of any two persons authorised by the Bank;
2. Should the amount you record differ from the amount counted in the envelope, the Bank may correct your record to the amount counted;
3. The Bank's count is conclusive in the absence of manifest error or fraud unless you provide us with satisfactory supporting evidence of the amount you deposited.

**7.8.3** If the amount recorded by the Electronic terminal as having been deposited should differ from the amount counted in the envelope by the Bank, the Bank will notify you of the difference as soon as possible and will advise you of the actual amount which has been credited to your Linked Account.

**7.8.4** The Bank is responsible for the security of your deposit after you have completed the transaction at the Electronic terminal (subject to the Bank's verification of the amount you deposit).

**7.9 Additional cards**

**7.9.1** Border Bank offers two Visa® Debit Cards. One Visa® Debit Card restricts the account from being overdrawn and is suitable for under 18s and those who wish to avoid overdrawing on their account. The other Visa® Debit Card has no restrictions.

**Visa® Debit Card Restricted**—Parental consent is required for Members aged twelve (12) years and under.

**Visa® Debit Card Unrestricted**—Members must be aged eighteen (18) years and older to have access to this card.

**7.9.2** You acknowledge that where you have more than one Linked Account, your nominee will have access to all those Linked Accounts.

**7.9.3** All transactions effected or authorised by and additional card holder will be treated as having been authorised by you and you will be responsible for them.

**7.9.4** The Bank will give each nominee a PIN.

**7.9.5** Your nominee's use of the Visa Card and PIN is governed by the Conditions of Use.

**7.9.6** You must ensure that each nominee protects their Visa® Card and PIN in the same way as these Conditions of Use require you to protect your Visa® Card and PIN.

**7.10 Cancellation and return of the Visa® Card**

**7.10.1** The Visa® Card always remains the property of the Bank.

**7.10.2** The Bank can immediately cancel the Visa® Card and demand its return at any time for security reasons or if you breach these Conditions of Use or the terms and conditions of your Linked Accounts, including capture of the Visa® Card at any Electronic terminal.

**7.10.3** The Bank may, at any time, cancel the Visa® Card for any reason by giving you 30 Days written notice. The notice does not have to specify the reasons for the cancellation.

**7.10.4** You may cancel your Visa® Card or any Visa® Card issued to your nominee at any time by giving the Bank written notice.

**7.10.5** If you or the Bank cancel the Visa® Card issued to you, any Visa® Card issued to your nominee(s) will also be cancelled.

**7.10.6** You cancel all regular repayment arrangements and standing authorities with merchants operating on your card account (or on any Visa® Card issued to your nominee). Failure to do this could result in your liability for any use.

**7.10.7** You will be liable for any transactions you or your nominee make using the Visa® Card before the Visa® Card is cancelled but which are not posted to your Linked Account until after cancellation of the Visa® Card.

**7.10.8** You must return your Visa® Card and any Visa® Card

issued to your nominee to the Bank when:

1. The Bank notifies you that it has cancelled the Visa® Card;
2. you close your Linked Account(s);
3. you cease to be a Member of the Bank;
4. you cancel your Visa® Card, any Visa® Card issued to your nominee, or both; or
5. you alter the authorities governing the use of your Linked Account(s) unless Border Bank agrees otherwise.

#### **7.11 Use after cancellation or expiry of the Visa® Card**

**7.11.1** You must not use the Visa® Card or allow your nominee to use the Visa® Card:

1. Before the valid date or after the expiration date shown on the face of the Visa® Card; or
2. After the Visa® Card has been cancelled.

**7.11.2** You will continue to be liable to reimburse the Bank for any indebtedness incurred through such use whether or not you have closed your Linked Account(s) at the Bank.

#### **7.12 Your liability in case the Visa® card is lost or stolen or in case of unauthorised use**

**7.12.1** You are liable for all losses caused by unauthorised electronic transactions unless any of the circumstances specified in clause 7.13.2 below apply.

**7.12.2** You are not liable for losses:

1. Where it is clear that you and your nominee have not contributed to the loss;
2. That are caused by the fraudulent or negligent conduct of employees or agents of:
  - The Bank;
  - Any organisation involved in the provision of the Electronic system; or
  - Any Merchant;

relating to a forged, faulty, expired or cancelled Visa® Card or PIN;

3. That are caused by the same transaction being incorrectly debited more than once to the same account;
4. That would exceed the amount of your liability to the Bank had the Bank exercised its rights (if any) under the Visa® Worldwide Operating Rules and Regulations against other parties to those rules and regulations; or
5. Resulting from unauthorised use of the Visa® Card or PIN:
  - i. In relation to an electronic transaction which does not require a PIN authorisation, before receipt of the Visa® Card;
  - ii. In relation to an electronic transaction which requires PIN authorisation, before

receipt of the PIN; or

- iii. In either case, after notification to the Bank in accordance with clause 7.14 that the Visa® Card is being used without authority, that it has been lost or stolen, or that PIN security has been breached.

6. That arises from an unauthorised transaction using an identifier only, where the transaction can be made using a device, but does not require a pass code unless you have unreasonably delayed reporting the loss or theft of the device.

**7.12.3** You will be liable for any loss of funds arising from any unauthorised electronic transaction using the Visa® Card or PIN if the loss occurs before notification to the Bank or the Visa® Card Reporting Line that the Visa® Card has been misused, lost or stolen or the PIN has become known to someone else and if the Bank proves, on the balance of probabilities, that you or your nominee contributed to the loss through:

1. Fraud, failure to look after and keep the PIN secure in accordance with clause 7.3, or extreme carelessness in failing to protect the security of the PIN; or
2. Unreasonably delaying in notifying the Bank or the Visa® Card Reporting Line of the misuse, loss or theft of the Visa® Card or of the PIN becoming known to someone else and the loss occurs between the time you or your nominee did, or reasonably should have, become aware of these matters and the time of notification to the Bank or the Visa® Card Reporting Line.

However, you will not be liable for:

- i. The portion of the loss that exceeds any applicable daily or periodic transaction limits on your Linked Account(s);
- ii. The portion of the loss on any Linked Account which exceeds the balance of that Linked Account (including any prearranged credit); or
- iii. All losses incurred on any account which you had not agreed with the Bank could be accessed using the Visa® Card and PIN.

**7.12.4** Where a PIN was required to perform the unauthorised transaction and clause 7.13.3 does not apply, your liability for any loss of funds arising from an unauthorised transaction using the Visa® Card, if the loss occurs before notification to the Bank or the Visa® Card Reporting Line that the Visa® Card has been misused, lost or stolen or the PIN has become known to someone else, is the lesser of:

- i. \$150;
- ii. The actual loss at the time of notification to the Bank or the Visa® Card Reporting Line of the misuse, loss or theft of the Visa® Card, or of the PIN becoming known to someone else (except that portion of the loss that exceeds any daily or periodic transaction limits applicable to the use

of your Visa® Card or your Linked Account); or iii.

The balance of your Linked Account, including any prearranged credit.

**7.12.5** If, in cases not involving electronic transactions, the Visa® Card or PIN are used without authority, you are liable for that use before notification to the Bank or the Visa® Card Reporting Line of the unauthorised use, up to your current daily withdrawal limit.

**7.12.6** That arises from an unauthorised Electronic Transaction that can be made using the Visa® card, or the Visa® card and an Identifier, but without the PIN, if you do not unreasonably delay reporting the loss or theft of the Visa® card.

**7.13 How to report loss, theft or unauthorised use of the Visa® Card or PIN**

**7.13.1** If you or your nominee believe the Visa® Card has been misused, lost or stolen or the PIN has become known to someone else, you or your nominee must immediately contact the Bank (if during business hours) or the Visa® Card Reporting Line at any time on its emergency number detailed below.

**7.13.2** The Visa® Card Reporting Line or the Bank will acknowledge the notification by giving a reference number. Please retain this number as evidence of the date and time of contacting the Bank or the Visa® Card Reporting Line.

**7.13.3** When contacting the Visa® Card Reporting Line, you or your nominee should confirm the loss or theft as soon as possible at the Bank's office.

**7.15.2** To change or cancel any Regular Payment Arrangements you should contact the Merchant or us at least 3 days prior to the next scheduled payment. If possible you should retain a copy of this change / cancellation request.

**7.15.3** Should your Card Details be changed (for example if your Visa® Card was lost, stolen or expired and

has been replaced) then you must request the Merchant to change the details of your existing Regular Payment Arrangement to ensure payments under that arrangement continue. If you fail to do so your Regular Payment Arrangement may not be honoured, or the Merchant may stop providing the goods and/or services.

- 7.15.4** Should your Visa® Card or Linked Account be closed for any reason, you should immediately contact the Merchant to change or cancel your Regular Payment Arrangement, as the Merchant may stop providing the goods and/or services.
