1. ABOUT THIS DOCUMENT

This Target Market Determination (TMD) is a publicly available document required under section 994B of the Corporations Act 2001 (Cth). It seeks to provide consumers, distributors and staff with an understanding of the class of consumers and therefore the target market for which this product has been designed, having regard to the objectives, financial situation and needs of the target market.

This document is not to be treated as a full summary of the product's terms and conditions and is not intended to provide financial advice. Members must still refer to our Financial Services Guide (FSG) and any supplementary documents which outline the relevant terms and conditions relating to the product when making a decision about this product.

Please see the [Terms & Conditions](#) and [Financial Services Guide \(FSG\)](#) to which this Target Market Determination applies.

Date from which this Target Market Determination is effective: 4 February 2026

2. CLASS OF CONSUMERS THAT FALL WITHIN THIS TARGET MARKET

The information below summarises the overall class of consumers that fall within the target market for our product, based on the product key attributes and the objectives, financial situation and needs of our members that it has been designed to meet.

This product has been designed for consumers whose likely objectives, financial situation and needs (as listed below) are aligned with the product (including the key attributes).

This product is suitable for members seeking a low-risk option to invest a fixed amount for an agreed term (the 'Investment Term'). It offers a guaranteed interest rate for the Investment Term, with interest paid either at agreed intervals or in a lump sum at the end of the Investment Term. The principal investment is returned in full at the end of the Investment Term.

Product description and key attributes

The key eligibility requirements are:

- An existing member of the Edvest product
- 18 years of age or over
- Be living in Australia as:
 - an Australian citizen, permanent resident, or specified temporary Australian resident;
 - New Zealand citizen; or
 - Be living and working overseas as an Australian citizen.

The key product attributes are:

- Term Deposit that allows you to choose the term of your investment (options include 3 months, 4 months, 5 months, 6 months, 7 months, 9 months, 12 months, 24 months and 36 months)
- You choose when we pay you interest from a set of options outlined in our Terms and Conditions (options include interest paid at maturity, fortnightly, monthly, or 6-monthly)
- Meet minimum deposit requirements outlined in the Terms and Conditions (generally the minimum deposit required is \$10,000 but lower requirements apply to term deposits with an Investment Term of 3 months)
- Interest rate is fixed over the Investment Term of your deposit and depends on the term and amount of funds being invested
- No account keeping fees payable on a term deposit
- Interest earned can either be credited into your nominated account or added to the current Term Deposit balance for the remaining term

Edvest Term Deposit

- Combined balances of up to \$250,000 per account holder are guaranteed and secured by the Australian Government
- Funds are locked in for the agreed term and if members need to withdraw before the end of the Investment Term, a flat interest rate of 0.10% will apply from the date of deposit to the date of withdrawal.

Objectives, financial situation, and needs

This product has been designed for individuals who:

- Want a low-risk way to invest money and grow their asset
- Are able to lock away an amount of money for a fixed period and receive a guaranteed interest rate and return
- Are looking for a strategy to meet set future goals, by investing funds and earning interest at a fixed rate
- Want the Interest rate fixed during a term deposit period, giving certainty
- Facility to lock their funds away in a low-risk investment and do not want to access until the end of the Investment Term.

Consistency between target market and the product

This product is likely to be consistent with the likely objectives, financial situation and needs of the class of customers in the target market. This is based on an analysis of the key terms, features and attributes of the product and a finding that these are consistent with the identified class of customers.

This product is suitable for the target audience as the product is a low-risk term deposit with no fees.

Excluded class of consumers

This product has not been designed for individuals who:

- Are not an Edvest member of the Bank
- Are looking to make regular deposits or withdrawals from the account
- Are looking for a variable interest rate
- Are looking for principal to be paid out before maturity.
