1. BASIC BANKING PRODUCTS SUMMARIES

1.1 Savings Accounts

Our Savings Accounts are designed to cater for all your access and transaction needs. You can choose one account for all your needs or use a combination of accounts for budgeting and cash management.

Product Benefits

- Your Easy Access account is a basic transaction account;
- You can use all of our payment facilities on your Easy Access account including debit card, Internet Banking, Mobile Banking App and Bank@Post;
- We have special purpose accounts to help you budget and make bill payments;
- We have other accounts that provide higher rates of interest plus at call access to your funds eg. our Savings Plus Account and Bonus Saver Account;
- Interest is calculated daily and paid to your account as set out in the Product Profiles;
- For current Interest Rates please refer to our website (see front page for details).

Fees and Charges

- No monthly or annual account keeping fees apply;
- Transaction fees may apply to your payment facilities and other services. Transaction charges in excess of any monthly allowances benefit will be debited to your account on the last day of the month in which the fees were incurred;
- Reduced Fees Program - you can minimise (or even avoid) transaction fees and charges, (see our Schedule of Fees and Charges for details);
- A Dormancy Fee applies if you do not use a deposit account for more than 36 months (see section 3.10 for details and our Schedule of Fees and Charges).

Things to Remember

- Your money earns a lower rate of interest in a savings account than in a term deposit;
- Market interest rates may rise or fall for each of these savings account products;
- Withdrawal and deposit restrictions apply to some higher interest bearing accounts. See our Product Profiles for more details on your Savings Accounts;
- Online SuperSaver Accounts can only be operated via Internet Banking or through the Mobile Banking App.

1.2 Payment Facilities

We have a range of payment facilities to help you with your bill payments, income and other

payment needs:

- Visa® Debit Card - a debit card you can use for cash withdrawals and EFTPOS® transactions;
- Internet Banking, Mobile Banking App - giving you Internet access to your account information and payment facilities;
- Direct Debit - the facility to make direct debit payments on your savings accounts;
- Periodical Payment - the facility to make set periodical payments;
- Direct Transfer - a once only electronic funds transfer;
- Direct Credit - for your wages or other income from your employer or other payer;
- BPAY® - for your bill payments with access to the BPAY® system;
- PayID® - a facility that allows you to make payments to a mobile number, email address, ABN or organisation ID;
- PayTo® - third party draws against an account on a regular basis for a PayTo mandate you have authorised.

You can establish any payment facility on your Easy Access account. You can set up some payment facilities on other accounts.

Confirmation of Payee checks account name when making a payment against the name registered with the receiving bank.

Fees and Charges

- Transaction fees may apply to your payment facilities and other services;
- Fees may also apply where you have a payment dishonoured or request a stop payment;
- We are also paid commission on BPAY® and Visa® transactions;
- See our Schedule of Fees and Charges for details;
- Third parties may also impose a surcharge on electronic transactions.

Things to Remember

- Always maintain sufficient funds in your accounts to cover payments you wish to make;
- Always protect your PIN for Visa® Cards and passwords for Internet Banking and your Mobile Banking App. Do not reveal PINs or passwords to anyone;
- Always report any breach of security or misuse of a payment service by calling us immediately on 132 267;
- If you unreasonably delay notifying us, your possible loss as a result of unauthorised transactions on your account(s) may increase;
- Although we take all precautions with respect to electronic transactions, the security of electronic funds transfer transactions can never be

guaranteed (particularly in electronic mediums such as the internet, there is always a risk of interception of data by a rogue or hacker);

- See our Product Profiles for more details on your Payment Facilities.

1.3 Investment Accounts

We have a range of investment accounts to earn you interest on your savings at a fixed rate over a range of terms to suit you. If you want regular income, we can pay you interest fortnightly or monthly. Other accounts pay you interest quarterly, twice yearly, yearly or on maturity; We have a wide range of accounts - so it's up to you to choose the one that suits your needs; Our Edvest range (not available for new business) can offer you a higher rate of interest and more regular interest payments.

Investment Accounts

- We offer investment term deposits from 3 months to 60 months;
- Minimum deposit balance and term requirements apply.

Interest Rates;

- We offer different rates of interest for each investment account;
- Generally, the longer the term you choose, the higher the rate of interest we pay;
- We also have targeted short-term accounts with high rates of interest;
- For current Interest Rates please refer to our website (see front page for details).

Product Benefits

- Your interest rate is fixed for the term of the investment account;
- There are no account keeping fees payable on any investment account products;
- Interest is calculated daily and paid at maturity or during the term as you choose.

Things to Remember

- Market interest rates may rise or fall over the term of the investment. This should be taken into consideration and can affect the rate you receive if you roll-over your investment;
- If you withdraw your investment before the end of the term, you will be paid a reduced rate of interest;
- The amount on deposit in an Investment Account can only be increased on Maturity.

See our Product Profiles for more details on your Investment Accounts.

We may offer Special Investment Accounts from time to time. Details are available on our website (see front page for details).

Tax Implications - Savings and Investment Accounts

Please note:

- Interest earned on your Savings or Investment Account must be declared for income tax purposes;
- If you do not provide us with your tax file number, we will deduct tax from your interest earned at the highest personal income tax rate.

PRODUCT PROFILES - Savings Accounts and Payment Facilities

PRODUCT FEATURES FOR INVESTMENT ACCOUNTS - All Members

We have designed a range of Term Deposits that allow you to choose the term, and frequency that interest is paid to suit your needs. You can choose to have interest paid monthly, twice a year, annually or simply at the end of the term at maturity. Interest rates are fixed over the term of your deposit. For interest rates on new deposits, see our current Interest Rates at borderbank.com.au/interest-rates. No fees are payable on Term Deposit accounts. Please note: Term Deposits of over \$250,000 are subject to acceptance by the Bank.

At maturity	✓			✓		✓		✓								
Monthly		✓	✓		✓		✓						✓	✓	✓	✓
Annually						✓										
Six monthly									✓	✓	✓	✓				

THINGS YOU SHOULD KNOW ABOUT INVESTMENT ACCOUNTS

How would you like interest to be paid? We can pay you your interest by transfer to an external account or payment to a Border Bank account nominated by you. If we pay you interest at maturity, we can also pay interest by re-investing with a further deposit.

Reduced Interest - If you withdraw your deposit before the end of the agreed term, then we will pay a reduced rate of interest from the date of deposit to the date of withdrawal. Please note: if we have paid you interest during the term and that amount exceeds the reduced interest payable, then we will deduct the difference from your deposit.

PRODUCT FEATURES FOR EDVEST ACCOUNTS

We have designed a range of Investment Accounts to allow you to choose the term, interest rate and interest payment frequency that suits you.

You can choose to have interest paid fortnightly, twice a year, annually or simply at the end of the term (at maturity).

Interest rates are fixed over the term of your deposit. For interest rates for new deposits see our Interest Rates at the Bank's website. No fees are payable on any Edvest Investment Accounts. Please note: Investments of over \$200,000 are accepted subject to confirmation.

2. MEMBERSHIP

If you wish to open an account with us, you first need to become a Member of the Bank.

You may then apply to open an Easy Access or U30 SUPER CHARGE Account, depending of the age of the applicant, with us (either on your own or with others) and apply for our account products to assist you in banking with us.

We then consider your account and/or account product application and if approved, provide the account(s) and/or account product(s) to you. You must be a Member before we are able to do any banking business with you.

Identification

We must verify your identity when you open a new savings or investment account or become a signatory to an account. We will need to see identification whenever you contact us to process a transaction on your account.

When you join the Bank, we need to obtain documentary proof of your identity or a statement from an acceptable "Certifier" who has seen and verified your identification documents.

We must do this under the Anti Money Laundering and Counter Terrorism Financing Act 2006 (AML/CTF) to help prevent people from using the financial system for tax evasion, money laundering and terrorism financing. We support this nationwide effort to fight crime and will do everything we can to make these procedures as smooth as possible for Members.

Identity Checks

To prove your identity to the Bank you must supply the Bank with relevant identification documents. A list of the required documents can be obtained from the Bank. Member's personal information may be provided to a third party for the purpose of verifying your details to meet the compliance obligations under the AML/CTF Act legislative requirements.

Nature and Purpose of Relationship

We must establish why you want to open an account with Border Bank as part of our AML/CTF obligations. To achieve this, we will ask you questions relating to the intended purpose of your Border Bank membership and accounts.

Statement from Certifier

After sighting your required identification documents, an acceptable certifier can sign a statement to prove your identity. We will give you a form for this purpose.

Judges of a Court, Magistrates, Chief Executive Officer of a Commonwealth Court, a Notary

Public, a Police Officer, an Agent of Australia Post, a permanent employee of Australia Post (with 2 or more years of continuous service), a Registrar or Deputy Registrar of a Court, a Justice of the Peace and a member of the Institute of Chartered Accountants in Australia, CPA Australia or the National Institute of Accountants with 2 or more years continuous service are all acceptable certifiers.

Joint Membership

All new Memberships must be 'single'; i.e. in the name of one person.

If you want to have a joint account, each individual Member must join together with another Member to open a joint account.

Please note: all existing joint Memberships continue in the same manner as they did before these terms and conditions came into effect.

Trust

Under a trust, a Membership is opened in your name but you hold the Membership account for someone else.

You can open any type of account in a trust Membership as a trust account.

The same terms and conditions apply to trust accounts as for other accounts.

When a trust Membership is opened:

- We need to see any supporting documentation (e.g. for a deceased estate, the will and death certificate);
- We may need to collect additional information about relevant parties (i.e. the trustee and the beneficiary).

Children

When you open any account for a child:

- We need to identify the child with appropriate identification;
- For children 12 years of age and under, the account is opened in the child's name, however, the adult concerned is the Authority to Operate and accepts responsibility for any legal issue that may arise due to the account being opened in the child's name, providing an indemnity;
- A child 12 years of age and under may be an Authority to Operate on the account in their name, providing they have the permission of the adult concerned and can register an acceptable signature;
- A child 12 years of age and under may be issued with a Visa Debit Card to their account in their name, provided they have been given permission to be an Authority to Operate on the

account by the adult concerned. A Visa Debit Card can be issued in the name of the parent or guardian acting as Authority to Operate at any time;

- A child 13 years and over can open and personally operate their account, including obtaining access to a Visa Debit Card;

A child 13 years and over can appoint or remove an Authority to Operate on their account.

Companies, Associations and Clubs

Membership is open to organisations including:

- Companies;
- Incorporated associations;
- Social clubs.

Organisations can open most accounts, subject to these conditions:

- We need to identify the organisation, its beneficial owners and the individuals authorised to sign documents for the organisation;
- We need to see documents confirming the appointment of the individuals authorised to sign documents for the organisation.

Financial Difficulties

Always contact us by phone on 132 267 promptly if you ever need help with a financial difficulty especially if you have an overdraft or a loan. We will always take reasonable steps to help Members who are finding it difficult to repay loans. We can look at options to reduce your payments or extend your loan term. The earlier you contact us, the sooner we can help.

3. GENERAL TERMS AND CONDITIONS FOR SAVINGS ACCOUNTS, INVESTMENT ACCOUNTS AND PAYMENT SERVICES

3.1 Authorised Signatories

General

You can authorise a person to operate your accounts. This person is your "authorised signatory".

The authorised signatory or signatories to the account can act fully and effectively in all dealings, matters and transactions in respect of the account(s) except the application for a loan; or credit facility or a redraw from a loan account.

A signatory has the authority to do the following:

- Carry out withdrawals on the account, for any purpose;
- Make enquiries about account balances and

transactions on the account, including any debit balance or available credit on a transactional (Continuing Credit Facility) account.

A signatory DOES NOT have the authority to:

- Change any of the signatory authorisations on the account;
- Give a 3rd party access or authority to operate on the account;
- Make enquiries about loan account balances or available credit on a loan account (except for transactional Continuing Credit Facility accounts);
- Change contact details for the owner of the account, including the mailing address for statements, or close the account.

Appointing an Authorised Signatory

For you to appoint an authorised signatory you need to:

- Read these terms and conditions and related brochures;
- Complete the application form;
- Both you and the authorised signatory read and sign the declaration on the application form;
- Give the completed and signed application form to us;
- Give us your authorised signatory's identification documents to satisfy the legal requirements we may have to comply with.

You are liable to pay for (or to repay) any credit provided to any person authorised to operate on your account(s). Your account(s) will be debited with all transactions made on your account by a person authorised to operate on your account(s). Accordingly, you are responsible for all these transactions as if you had made them yourself.

Terminating the appointment of your authorised signatory

An Authority to Operate will operate until we receive written notice of cancellation or notice of death of the person granting the authority and that notice has been processed by us. Notice of cancellation must be signed by all surviving account holders. We may require a new Authority to Operate before we allow further operation on the account.

If there is a dispute notified to us about an Authority to Operate or the owner of an account, we may refuse to allow operation of the account until all parties concerned have signed the necessary authority. We are not liable for any loss or damage caused by any delay in processing a cancellation of an Authority to Operate.

Any cards issued as an additional card holder

should be returned for cancellation or written instruction by you to cancel the card. You must arrange to cancel all regular payment arrangements and standing authorities with merchants operating on the additional card. Failure to do this could result in your liability for any use.

3.2 Joint Accounts

General

If you open a joint account:

- The credit balance of a joint account is held jointly by all account holders;
- Each account holder has the right to all of the balance, jointly with the other account holders;
- A joint account holder may only make a withdrawal on the terms of any authority to operate on the account;
- If there is any dispute between joint account holders, we may decide to only permit operation on the account when all parties have signed the necessary authority;
- If a joint account holder dies, the remaining account holder holds the credit balance and if more than one, those remaining account holders hold the credit balance jointly;
- Each joint account holder is liable for the whole of any debit balance on the account;
- We can sue all or any account holder(s) for an amount owing on the account.

Reduced Fees Program

The first named Member in a joint account application will be the primary joint account holder. Every other Member in the joint account will be a secondary joint account holder.

The Reduced Fees Program are assessed on a calendar monthly basis. Individual and primary joint account holders qualify for the Reduced Fees Program where the combined balances of all savings, investments and drawn loans within the one membership only are kept over \$5,000 for the whole calendar month. Secondary joint account holders qualify for the Reduced Fees Program for transactions on the joint Easy Access account or where the combined balances of any of your individual accounts are kept over \$5,000 for the whole calendar month.

Transactions conducted using the Visa Credit Card do not count towards the Reduced Fees Program. The Reduced Fees Program do not apply to fees for ATM balance inquiries, Visa Cash advances, overseas ATM withdrawals or any drawn loan balance from a Border Bank AMS securitised mortgage, Equity Maximiser Loans, Leasing account, Online SuperSaver balance,

Police Value Home Loans or Customs Value Home Loans approved before 1st July 2011. For more information about the Reduced Fees Program, please see our Schedule of Fees & Charges.

How to open a Joint Account

Where you wish to open an account with us, together with another Member or Members, you will need to:

- Ensure that everyone who is to be an account holder in the joint account is a Member of the Bank;
- Where anyone is not a Member, then that person will need to complete a Membership application form before you may proceed to open a joint account;
- Read and have the other Members read these Terms and Conditions and the related brochures;
- Choose who is to be the primary joint account holder. All other joint account holders are secondary joint account holders. You need to choose carefully as the balance of your joint account benefits only the primary joint account holder when we determine the Reduced Fees Program;
- Complete the application form;
- Consider when completing the application form the operational status of the joint account i.e., if all of you need to sign our transaction documents, or that one of two or more signatures only are required. Please note that if you require more than one signature on a joint account transaction document, then we will not be able to provide you with some of our products e.g., Visa Card;
- Read and sign and have the other Members read and sign the Declaration on the application form;
- Submit the completed and signed application form to us;
- If you or the other Members have not already done so, give us your or the other Members' identification documents to satisfy the legal requirements we may have to comply with;
- If you or the other Members have not already done so, give us your or the other Members' tax file number, if you or the other Members do not want us to deduct withholding tax from any interest earned on what you or the other Members have deposited in the joint account;
- Select any of the account products.

Operational Status of Joint Accounts

When you open your joint account, you choose

the operational status for that account, such as:

- Only one person is required to sign our transaction documents;
- If there are more than two joint account holders, a minimum number of persons required to sign our transaction documents;
- All joint account holders are required to sign our transaction documents.

Any changes to the operational status of a joint account are subject to limitations, which arise due to certain account products you hold with the joint account. For example, we are not able to change the operational status where in a joint account there are several cards issued, until the cards are returned to us, or they become non-operational through written confirmation from our card operator that no transactions can be carried out on those cards.

Changes to your Account Details

For any change you will need to complete the Membership and Product Application form or the Change of Personal Details form. On receipt of the completed form we will check our records and clarify the current operational status of the joint account, and amend the account(s) accordingly.

3.3 Making Deposits

Depositing into an Account - Means of depositing with us

You may deposit money with us in these ways:

- Over the counter at one of our Branches;
- By post to one of our Branches;
- Bank@Post (see below);
- By a payment service/direct credit;
- By Internet Banking, Mobile Banking App, PayID® or PayTo® transfer from your account;
- Through an ATM which accepts deposits to us.

Visit our Branch

When you (or someone on your behalf) visit a Branch to transact we will need to see identification. When the transaction has been completed, a receipt will be issued.

Deposit by post

We recommend that you use the option to send us a deposit by post as a last resort, where the other options are not available to you.

We are only responsible for the deposit when it has been received by us.

We further recommend the post option chosen by you should be one where Australia Post can confirm we have received your letter and deposit.

We recommend that you should check with us after putting the deposit in the post to confirm that we have received and processed your deposit.

You must never send cash through the post, and only send crossed money orders of small amounts in the post to us.

If you do not have one of our deposit slips, then we will need, in addition to your money order, a letter in clear and precise terms instructing us where to deposit your money order. Without the deposit slip or letter, we will not be able to process your deposit.

We do not send you a receipt for the deposit by post and the first document you will receive from us acknowledging your deposit will be the next statement we issue to you after that deposit.

Deposit Using Bank@Post

Make deposits into your Easy Access account using Bank@Post, a service available at over 3,300 Australia Post Branches. A deposit limit of \$9,999.95 per transaction applies when using a debit card, and a limit of \$200,000 per transaction applies for cheque deposits.

Direct Credit

This is an arrangement with a direct credit supplier, who deposits money into your account with us by electronic transfer.

We do not have control over that deposit and we do not provide a receipt, when the deposit has been made by the direct credit supplier.

We recommend that you check with us to confirm the direct credit supplier has made the deposit to your account when anticipated by you.

If the deposit has not been made, you will need to talk to the direct credit supplier.

The first document you will receive from us acknowledging the direct credit supplier's deposit will be the next statement we issue to you after that deposit.

Internet Banking or Mobile Banking App deposit

We normally issue you with an electronic receipt for the transaction.

We advise you that special Terms and Conditions apply to your Internet Banking and Mobile Banking App, so we recommend you visit our website borderbank.com.au (for Border Bank details refer to front page) and become familiar with those Terms and Conditions and our Internet Banking and Mobile Banking App procedures.

Unintended Recipient

Where it is established that a credit transfer has been processed to your account, and we are

notified that a mistaken payment has been made to your account, we may freeze the amount in question until we are satisfied that there has been no error.

ATM deposit

Where there is an Automatic Teller Machine (ATM) which accepts deposits to your Easy Access account, you may complete a deposit package and complete the deposit in accordance with the directions from the ATM.

We recommend that you should check with us after putting the deposit into the ATM to confirm that we have received and processed your deposit.

We do not send you a receipt for the ATM deposit. The first document you receive from us acknowledging your deposit will be the next statement we issue to you after that deposit.

Depositing cash at any atm machine in Australia is free, with the bank covering all associated costs. Please note, a maximum of 90 notes is allowed per deposit.

Types of Deposits and their Availability to You

Here are ways to deposit money with us:

- Cash;
- Electronic transfer.

Cash

When you deposit cash into your account with us at one of our Branches, that deposit is available for withdrawal immediately after we have processed that deposit.

Electronic Transfer

You may deposit money into your account with us by electronic means, for example through our Internet Banking or Mobile Banking App system.

Where you have carried out an electronic transfer into your account, the funds from that transfer are available for withdrawal as soon as the transaction has been completed through the electronic banking system.

As we do not have control over other financial institutions, we are not able to advise you of the time it will take to complete the electronic transfer.

We recommend that you check your account after the electronic transfer to confirm the completion of the transaction and the availability of the funds from that electronic transfer for any other purpose you may have.

3.4 Making Withdrawals

There are two main ways to withdraw money from us:

- Cash;
- Electronic transfer (see 'Making Payments').

Cash

When you have money available in your account, you may come to one of our Branches and withdraw:

- Up to \$2,000 in cash per day;
- Over \$2,000 by prior arrangement;
- Maximum \$50,000;
- Amounts over \$25,000 incur a cash handling fee (see Schedule of Fees and Charges brochure).

When withdrawing cash from an ATM and EFTPOS®, withdrawal limits may apply and you will ordinarily only be able to withdraw \$1,000 a day.

When you (or an authorised signatory) visit a Branch to transact we will need to see identification. When the transaction has been completed, a receipt will be issued.

Withdrawing or Transferring funds from an Account

You may withdraw money you have with us in these ways:

- By visiting one of our Branches;
- By Bank@Post;
- By post to one of our Branches;
- By email direction to one of our Branches;
- Through an ATM which accepts our cards;
- By a payment service;
- By Internet Banking, Mobile Banking App or PayID® transfer from your account;
- By BPAY® transfer from your account.

Visit to our Branch

When you visit a Branch to conduct a transaction we will need to see ID. When the transaction has been completed, a receipt will be issued.

Your withdrawal may be refused, if you:

- Are withdrawing a large amount from your account;
- Do not have photo identification; or
- We are not satisfied with the photo identification provided;
- Normally, we require you to personally attend if there is to be a withdrawal from your account at one of our Branches.

If you are not able to personally attend, it is possible for you to authorise a person to attend one of our Branches with a completed withdrawal form but if you are not personally attending then:

- We need to see identification documents for

you and your authorised person;

- We will retrieve a copy of your signature to confirm that the signature on the withdrawal form is your signature;
- We may telephone you to confirm the withdrawal, before we proceed and if we are not satisfied with the withdrawal form, the identification documents or we are unable to call you, then we will not process the withdrawal.

You should ensure you are available for us to call you if we need to when your withdrawal form is presented by your authorised person to one of our Branches.

Withdrawal using Bank@Post

Withdraw up to \$2,000 per day from your Easy Access, Safeguard or Equity Max Trans (no longer for sale) account using the Bank@Post service available at over 3,300 Australia Post branches. Refer to our Schedule of Fees & Charges for details.

Funds transfer by post or email direction

If you want to transfer funds from your account by post or email direction, you need to send us a document that has the following:

- Your name, Membership and account numbers;
- The amount you wish to withdraw;
- The BSB, account number and account name to whom the amount is to be paid;
- Your signature.

To protect your funds, we will contact you by phone to confirm the transaction in order to verify the authenticity of your requested transfer.

A fee may be charged for the transaction, in accordance with the 'Schedule of Fees and Charges'.

ATM/EFTPOS® withdrawal

Where there is an Automatic Teller Machine (ATM) or Electronic Funds Transfer Point of Sale facility (EFTPOS®) which accepts your Visa Card, you may use the machine to withdraw from your Easy Access, Safeguard or Equity Max Trans (no longer for sale) account with us. A daily limit of \$2000 applies per card.

You will normally have an option as to whether or not you want to receive an acknowledgement of the withdrawal from the ATM.

We do not send an acknowledgement for the withdrawal.

The first document you receive from us acknowledging your ATM withdrawal will be the next statement we issue to you after that withdrawal.

3.5 Making Payments

Our Payment Facilities are not available to all Members. Payment Facilities are not available to accounts where more than one signature is required to operate the account, unless all signatories have signed the application form. Payment facilities are not available to all children:

- For children 12 years of age and under, the permission of the adult concerned is required.

If you have any questions about Payment Facilities please telephone us on 132 267 and talk to a Member Services Officer.

Payment Services

This is an arrangement where at your direction a sum of money is transferred from your account to a third party. There are four forms of withdrawal payment service:

- Periodical payment – instruction for the Bank to send funds on your behalf on a regular basis;
- Direct transfer – instruction for the Bank to send funds on your behalf on request;
- Direct debit – third party draws against a savings account on a regular basis (i.e. you have provided our BSB and your account number details);
- PayTo® – third party draws against an account on a regular basis for a PayTo mandate you have authorised;

Confirmation of Payee

Confirmation of Payee is an initiative led by Australian Payments Plus (AP+). Confirmation of Payee works by checking the account name you enter when making a payment against the actual account name registered with the receiving bank.

We have control over the periodical payment and direct transfer. We do not control the direct debit or regular payment as it is lodged with the third party and that third party manages the withdrawal from your account.

We recommend that you check to confirm with us and the third party, the periodical payment, direct transfer, direct debit or regular payment has been processed.

We do not issue you with any written confirmation of a periodical payment, direct transfer, regular payment or direct debit.

The first document acknowledging the periodical payment, direct transfer, direct debit or regular payment will be the next statement we issue to you after that periodical payment, direct transfer or direct debit.

Payment Order

If you request more than one periodical payment,

direct debit or regular payment, we will determine the order in which they are paid.

Stop Payments

To stop or alter a periodical payment, direct debit or regular payment, you must provide either written instructions, phone us or visit a Branch. We will require full details of the periodical payment, direct debit or regular payment at least 3 business days before the next payment is to be made.

Note: if you have multiple payments / policies with the supplier, then an instruction to cancel the payment by the Bank will cancel all payments made to that supplier (e.g.) Car insurance, home insurance and contents – so it may be more effective to cancel the single policy with the supplier.

You must also instruct any direct debit or regular payment supplier to stop the payment without delay.

Note: Cancellation of a direct debit or regular payment does not cancel any contract arrangement between you and the supplier.

Future Dated Electronic Transactions

Future dated electronic transactions will be processed on the closest working day prior to the weekend or public holiday. Electronic transactions conducted on a weekend or public holiday will be processed on the closest working day after the weekend or public holiday.

You must also instruct any direct debit or regular payment supplier to stop the payment without delay.

Insufficient Funds

Should there be insufficient funds to meet your Periodic Payment due date, the Bank will attempt to make the payment for the next 4 consecutive business days. If there are still insufficient funds, the payment will reject. That is - the payment will not be made.

Should the payment be rejected on 4 separate occasions, the Payment Authority will automatically cancel.

Missed Payments and Cancellation

We may decide not to make a periodical payment or direct debit if there are not sufficient cleared funds in the account at the time and on the date for the transfer of money. From time to time we may allow you to overdraw your account(s). We have no obligation to do so. If we decide to make a payment because there are not enough cleared funds in an account, or if we decide to make a payment and overdraw the account, we

may charge a fee. Please refer to our Schedule of Fees & Charges Brochure.

Internet Banking or Mobile Banking App transfer

When you have access to your account(s) through our Internet Banking or Mobile Banking App service it is possible for you to transfer money between your own Bank accounts and externally to other financial institutions.

We normally issue you with an electronic acknowledgement for the transaction. The first document you will receive from us receipting your transaction will be the next statement we issue to you after the transaction.

We advise you that separate Terms and Conditions apply to your Internet Banking and Mobile Banking App, so we recommend you visit our website borderbank.com.au (for Border Bank details refer to front page) and become familiar with those Terms and Conditions and our Internet Banking procedure.

BPAY®

This is where you are able to arrange for a withdrawal from your account with us to directly pay bills.

Your ability to pay your bill through BPAY® depends on whether or not the party whose bill you are paying is on the BPAY® system.

Unless you are completing a BPAY® transaction through Internet Banking or Mobile Banking App where an electronic acknowledgement for the transaction will issue to you, we do not send you a receipt for a BPAY® transaction. The first document you will receive from us receipting your transaction will be the next statement we issue to you after the BPAY® transaction.

PayTo®

PayTo® is a modern digital payment solution offering a fast, easy and secure way to pay. It gives members more visibility and control over their payments, and enables merchants and businesses to initiate real-time payments from their customers' bank accounts.

PayID®

PayID® is a unique identifier that allows for real-time payments using a simple, memorable identifier like a mobile number or email address instead of a BSB and account number. It's a way to easily send and receive money within the NPP system.

Electronic Transactions

The main forms of electronic transactions from your account are:

- ATM;
- EFTPOS®;
- Payment services;
- Internet Banking & Mobile Banking App;
- BPAY®;
- Bank@Post;
- PayID®

Insufficient Funds

If you do not have enough money in your Easy Access account and/or credit in your Credit Facility when you try to transact electronically to pay for a good or service, then in the absence of you making an arrangement with us, either:

- We will not process the electronic transaction, which means we will not pay the amount stated in the electronic transfer to your payee's bank. The person or company who you paid by electronic transfer are therefore still owed the amount;
- We will pay the amount stated in the electronic transaction but your account and/or Credit Facility will be overdrawn and either we will exercise our right to combine accounts and use money in another of your accounts to pay the overdrawn amount; or your account will be referred to our Collections Department to recover the overdrawn amount.

The choice is ours and we will not be responsible to you for any loss you incur if we choose to not process the electronic transfer due to you not having enough money in your account and/or credit in your Credit Facility.

You should ensure that you have sufficient money in your account and/or credit in your Credit Facility before you try to do an electronic transfer.

3.6 Payment Order To Loans

Where your payment order (Payroll Deduction or Periodic Payment Authority) is to make payments to a nominated loan account held with the Bank, the amount deducted by us from your payroll or from your nominated deposit account will be adjusted to ensure that it is sufficient to meet the minimum repayment required under each loan contract.

3.7 About Your Accounts - Overdrawing, Account Statements, Payment Authority/ Account Combination And Account Closure

Overdrawing your Account

We do not agree to provide any credit in relation to your account. You agree not to overdraw your account unless you have an Overdraft. You may apply for an Overdraft on your Easy Access

Account which will be subject to the Terms and Conditions of an Overdraft credit contract. We may, at our discretion, honour a periodical payment, direct debit, Visa or other transaction. If your account becomes overdrawn for any reason, immediate repayment is required. We may charge you a fee and interest on the overdrawn amount at our overdraft interest rate as well as any reasonable legal fees we incur in obtaining the amount from you.

Statements of Account

We will send you statements outlining the transactions on your accounts at regular intervals.

Your statement will include the following information:

- Your Member number;
- Accounts within your Membership;
- Owners of the accounts;
- All debit and credit transactions on your accounts, including all payment service transactions, Internet Banking and Mobile Banking App;
- The opening and closing balances for your accounts (the balances at the start and end of the statement period), and all the changes to the balances in your accounts between the opening and closing balances, which record the impact of your debit and credit transactions on your accounts.

You should always check your statements when you receive them from us to:

- Confirm the opening balances on your accounts are the same as the closing balances on your last statement;
- Check all the transactions on your accounts are correct.

Where a transaction is not processed on the day it occurs (including transactions occurring or received after end of calendar month system close), the transaction will be processed on the next day. This may affect the calculation of interest (including bonus interest) and balances for the relevant period.

If you do not agree with any details on a statement, you need to call us on 132 267 and talk to one of our Member Services Officers.

If you are a joint account holder living at the same address as another joint account holder of the same account, we will only send one statement of account to that address. If joint account holders live at different addresses notified to us, on request we will send a statement to up to 2 different addresses.

Depending upon what types of accounts you have with us, we will set out the frequency of the statements. At a minimum we will send you four statements a year.

If you have a Continuing Credit Contract or Visa Credit Card with us, then you will receive statements every month. It is possible to have us provide you with statements more often than you may be currently receiving them.

If you want more frequent statements, then call us on 132 267 and speak to one of our Member Services Officers.

If you feel we have missed sending you a statement or you need a copy of a statement we have already sent you, then call us on 132 267 and speak to one of our Member Services Officers.

Fees and charges may apply for additional statements. Please read our Schedule of Fees and Charges.

If your statement is returned to us as "returned mail" we reserve the right to not forward statements to you until a new address is provided.

Payment Authority / Account Combination

You authorise us to debit any of your Bank savings accounts to meet a payment due on any accounts whether the payments is owed to the Bank or another party. We will make every effort to complete payments for you but we have no obligation to do so.

We may also combine accounts when you owe us a sum of money after you overdraw an account or fail to remedy a default under a credit contract (e.g. loan or overdraft). In these circumstances, we are entitled to immediate repayment of the debt. We will combine accounts by withdrawing an amount from any account with a credit balance sufficient to pay the amount you owe us.

If you have any questions about payment authorities or combining accounts, call us on 132 267.

Account Closure

You are entitled at any time to close your account and/or apply to terminate your Membership with us. We may close any of your savings accounts even though the account may have a credit balance. We will give you reasonable notice before doing so and will repay any credit balance. Any Visa Card or other access instrument authorised for use on your accounts must be returned to us unless it is authorised for use on another person's account.

General

If you wish to close an account or terminate a Membership, then you will need to:

- Contact us and obtain the account closure form;
- Complete and sign the form and return it to us;
- If you are closing an account, provide us with sufficient funds to bring the account to zero if that account is overdrawn or subject to a Credit Overdraft;
- If you are terminating your Membership, provide us with sufficient funds to bring all your savings accounts to zero and repay in full all loans you have with us;
- Return all access/credit cards.

On receipt of these items, we will then process your application.

Special Circumstances

In the event of a death or family law settlement, accounts need to be closed and money in those accounts transferred to new accounts, you will need to:

- Notify us in writing and provide us with appropriate documents i.e. Death Certificate, Will, Grant of Probate, Family Law Agreement or Orders, to confirm your position to deal with a Membership and/or account;
- When you do not hold a Membership and account in your own name complete all the documentation required to become a Member and open an account;
- Provide us with written instructions on what we are to do with the money held in the account to be closed.

On receipt of your documents, we will:

- Close the account and terminate the Membership;
- Where necessary, open a new Membership and account;
- Transfer the money from the closed account to the new account.

We follow this procedure, as it is not possible to transfer Memberships. We therefore must close a Membership and, where appropriate, open a new Membership and account, and then transfer the money from the account in the closed Membership to the account in the new Membership.

3.8 Reduced Fees Program

The Reduced Fees Program rewards you for doing business with the Bank. The program gives you more fee free, ATM and EFTPOS®

transactions than would normally apply to our Member's accounts. The Reduced Fees Program are assessed on a calendar monthly basis.

Individual and primary joint account holders qualify for the Reduced Fees Program where the combined balances of all savings, investments and drawn loans within the one membership only are kept over \$5,000 for the whole calendar month. Secondary joint account holders qualify for the Reduced Fees Program for transactions on the joint Easy Access account or where the combined balances of any of your individual accounts are kept over \$5,000 for the whole calendar month. Transactions conducted using the Visa Credit Card do not count towards the Reduced Fees Program. The Reduced Fees Program does not apply to fees for ATM balance inquiries, Visa Cash advances, overseas ATM withdrawals or any drawn loan balance from a Border Bank AMS securitised mortgage, Equity Maximiser Loans, Leasing account, Online SuperSaver balance, or Police Value Home Loans or Customs Value Home Loans that were approved before 1st July 2011. For more information about the Reduced Fees Program, please see our Schedule of Fees & Charges.

If you have any questions about the reduced Fees Program call us on 132 267 and speak to one of our Member Services Officers.

3.9 Changes

Changes to these Terms and Conditions

We may vary the terms and conditions of our accounts and account products. We will give you at least 20 days written notice if any variation will:

- Impose or increase charges relating to your use of your accounts and account products;
- Increase your liability for losses relating to transactions through your accounts and account products;
- Adjust the transaction limits applying to your use of your accounts and account products.

We will tell you of all other variations in advance by notice in writing to you. Our obligation to give you advance notice does not apply if variations are required in an emergency to restore or maintain our or your security. We fulfil our obligations to give you notice under these Terms and Conditions if we post the notice by ordinary mail to the last address you gave us. For joint accounts we will provide one copy of the notice addressed to the primary joint Member.

Changes to your account details

You can change your account details and instructions with us. If you have a change in any of your details, i.e., change of address, change of name, removal of authorised signatories etc., then you need to notify us immediately when the change occurs. If you do not tell us your changes, we will continue to handle your Membership and accounts with us on the basis of the details and instructions we hold and:

- We will send all our mail to you, including statements, notices, magazines and brochures to the name and address on our records;
- We will allow your accounts to be operated by those persons who are on our records as authorised signatories;
- We will comply with all payment service instructions (including periodic payments, direct debits and direct transfers) we have from you.

We are unable to change any of your details or instructions without you first notifying us of the changes in writing. It is very important to notify us immediately of changes in your details and instructions. With respect to changes to authorised signatories, we refer you to the Terms and Conditions on authorised signatories.

3.10 Dormant Accounts

A deposit account becomes dormant if it is not operated for more than 36 months consecutively. If your accounts become dormant, we will write to you asking if you wish to retain your membership. If you do not respond within 1 month, we will treat your membership as dormant. We will no longer pay interest on your account and we may cancel your access methods and close your accounts and membership without notice to you. If we close your accounts and membership, the moneys in your account will be held in a suspense account and will be dealt with in accordance with the unclaimed money laws. Your membership and accounts can be fully reinstated if you contact us and make an application before your funds are sent to the Australian Government as unclaimed money. If you have not used your account (other than in relation to accounts held in the name of a minor or child) for seven years and the account balance is greater than \$500, we may be required by law to send your money to the Australian Government as unclaimed money. While you can reclaim your money at any time,

we suggest you operate your account regularly to avoid this inconvenience.

3.11 Circumstances when we may suspend or close your account and access methods or decide not to process a transaction

As an authorised deposit-taking institution, we are subject to the anti-money laundering, counter- terrorism financing and sanction laws in Australia and any other country. You agree that we may give any information about you to any law enforcement or government agency or judicial body if we are required to do so under any law in Australia or other country. You declare and warrant that any processing of transactions by us in relation to your account in accordance with your instructions will not breach any law in Australia or other country.

In some circumstances we may delay, block, refuse to process any transaction or suspend or close your account and access methods without providing you prior notice. We may do so without incurring any liability or penalty. However, if we do, we will act fairly and reasonably towards you. Examples of the circumstances are:

- We reasonably consider necessary to comply with the laws of Australia;
- We reasonably consider that your account is being used fraudulently or in a way that is inconsistent with these terms and conditions;
- You do not provide us with document or information we reasonably request from you;
- We suspect that the transaction is in breach (or may breach) any law in Australia or any other country;
- We suspect that the transaction may (directly or indirectly) involve the proceeds of, or be applied for the purposes of, criminal or unlawful conduct;
- We suspect that the transaction involves a person that is itself sanctioned or is connected to any person that is sanctioned under any sanctions imposed by Australia, the United Nations, the European Union or any country.
- We suspect that an account is being used to facilitate financial abuse or harm, including situations related to domestic or family violence, particularly where vulnerable members are at risk.
- We suspect a member engages in abusive, threatening, or violent behaviour toward Bank staff, representatives, or other members, whether in person, over the phone, or through digital channels.

Where we suspend your account:

- We may remove or restrict how you can access your account;
- You will not be able to withdraw or transfer money from your account until we remove the suspension;
- Any direct debits or recurring payments will be stopped.

However, we may continue to debit fees including fees for other products or services you have with us.

4. PRIVACY, COMPLAINTS, INFORMATION, OPENING HOURS AND COMPLIANCE

Privacy

We have a policy, which deals with the protection of your privacy. We refer you to our Privacy Policy which sets out in detail the terms of how we protect your privacy and the circumstances where we provide your information to others. If you have questions about privacy, call our Privacy Officer on 132 267.

Complaints

What to do if you have a complaint

Firstly, contact a Member Service Officer (see front page for contact details). If you need further assistance, you can use our internal dispute resolution service (see our Complaints Handling & Dispute Resolution Guide for details available at borderbank.com.au).

If an issue has not been resolved to your satisfaction, you can lodge a complaint with the Australian Financial Complaints Authority (AFCA). AFCA provides fair and independent financial services complaint resolution that is free to consumers.

Website: afca.org.au

Email: info@afca.org.au

Telephone: 1800 931 678 (free call)

In writing to: Australian Financial Complaints Authority, GPO Box 3, Melbourne VIC 3001

More Information

If there is anything you need to know about us that is not in these Terms and Conditions or one of our brochures, then please call us on 132 267 and speak to one of our Member Services Officers who will endeavour to assist you with your inquiry. You can also confirm the opening or closing of any account or payment facility by calling us on 132 267 and requesting written confirmation.

Opening Hours

Opening hours are published on our website (see front page for details).

Our after-hours reporting service (e.g. stolen cards and electronic transactions and/or access codes) is open outside business hours.

Compliance

The Bank is committed to compliance with all laws that affect our products and services including the Customer Owned Banking Code of Practice; National Consumer Credit Protection Act; Competition and Consumer Act; ePayments Code; Australian Privacy Principles; Sanctions Laws; Financial Services Reform Act; and Anti Money Laundering/Counter Terrorism Act. These Terms and Conditions are subject to those laws and codes. We warrant that we will comply with the ePayments Code wherever it applies.

5. SPECIFIC TERMS AND CONDITIONS

5.1 Savings Accounts

Interest Rate & Calculation

Any interest you earn will be calculated by applying the daily annual percentage rate to the daily closing balance of your account and paid to your account as set out in the Product Profiles.

The daily annual percentage rate is the annual percentage rate divided by 365 (except for leap years). Please see the current Interest Rates at borderbank.com.au/interest-rates. No interest is payable on any Mortgage Offset Account (see Mortgage Loan Contract Terms and Conditions).

Withdrawal Restrictions

All accounts are available at call with the exception of Insurance Saver, AMS Deposit, Market Linked and Edvest Redifund Plus (which are no longer for sale) accounts on which no withdrawals are allowed for up to 7 days after deposit.

For our Christmas Club account (not available for new business), your funds are available at anytime but on withdrawal of funds from your Christmas Club Account between 1 January and 31 October each year, you will incur a withdrawal fee. Interest is paid once a year to 31 October unless you close your account, when we will pay interest accrued up to the day you close your account.

For our Bonus Saver Account, your funds are available at anytime but if you withdraw your funds in any month you will not be paid bonus interest and the standard interest rate will apply to your account for the month that the withdrawal/s were made in.

Fees and Charges

There are no account keeping fees for these accounts. A Dormancy Fee applies. There are fees applicable to certain access instruments and payment facilities. Please see the Schedule of Fees and Charges for details.

Federal Government Guarantee Scheme

- All savings and investments up to \$250,000 with the Bank are government protected;
- The account holder may be entitled to payment under the Financial Claims Scheme; and
- Access to the scheme is subject to a limit for each depositor.

5.2 Investment Accounts

Interest Rates

The interest rate on your Investment Account will not change during the term of the deposit. If we quote you an interest rate for an Investment Account, the rate may differ if the deposit is not made on the same day.

Interest Calculation

Interest is calculated by applying the daily annual percentage rate to the daily closing balance of your account. The daily annual percentage rate is the annual percentage rate divided by 365 (except for leap years). We will not change the method of interest calculation or payment during the term of the deposit.

Withdrawal Restrictions

Although you may withdraw your Investment Account funds at any time, you acknowledge that any Investment Account deposit is lodged on the understanding that it is not withdrawn before the maturity date. See Product Profile page for other restrictions.

Early Withdrawal Fees/Reduced Interest

If you withdraw your deposit before the maturity date, we will pay interest at a reduced rate from the date of deposit to the day prior to withdrawal. The reduced rate will be as decided by us from time to time and can be much lower than the rate that would otherwise apply.

Fees and Charges

There are no account keeping fees for these accounts.

Certificates

Investment Certificates will be issued for all Investment Accounts on establishment.

Maturity of Investment Account

You have up to 5 working days after the maturity date to provide any changes to the term deposit

instructions. Within 14 days after maturity we will provide you with written advice as to the correct applicable interest rate where the original instructions were that the deposit be reinvested. Your deposit will be automatically reinvested for a further term of the same duration, or in the closest matching available product. This will not occur if you have already provided, or intend to provide alternate instructions to us in writing, prior to the maturity date.

5.3 Payment Facilities

Payment Facilities / Access Instruments - For these products, separate terms and conditions will be provided to you on application or request:

- Visa Debit Card - a debit card you can use for cash withdrawals and EFTPOS® transactions;
- Internet Banking and Mobile Banking App - giving you Internet access to your account information and payment facilities;
- Overdraft - a credit facility linked to your savings account;
- BPAY® - a facility to organise your bill payments with access to the BPAY® payments system;
- PayID® - a facility that allows you to make payments to a mobile number, email address, ABN or Organisation ID;
- PayTo® - third party draws against an account on a regular basis for a PayTo mandate you have authorised.

5.4 Fees and Charges

There are fees applicable to certain access instruments and payment facilities. Please see the Schedule of Fees and Charges for details.

You authorise us to debit your account with all fees and charges payable in relation to your Savings Accounts, Investment Accounts and Payment Services.

6. FINANCIAL HARDSHIP ASSISTANCE

We focus on making sure we lend responsibly, but we understand that your circumstances can change due to factors such as a change in your employment status. We have always attempted to provide mortgage/loan relief options to our Members and will continue to do so. In fact this approach has been part of the way that we do business with our Members since inception of the Bank.

The Bank will always be open to discussing with Members in financial difficulty the best options available. Working with you we can make an assessment of how best to assist you and your family based of your ability to meet the

obligations of your credit facility. This is the high standard of the service we have always applied.

The Bank will work with your authorised representative should you prefer a third party to assist you to work through your financial situation. This may be a family member or language interpreter or more formally - a tax agent, solicitor, power of attorney or a financial counsellor. There is an authority to nominate a representative on the Request for Financial Assistance Form.

Any Member wishing to discuss their current financial circumstances should ring our Contact Centre on 132 267 or your nearest Branch.
